The selection committee may require students to provide proof of enrollment in a school within the essay contest jurisdiction.

The scholarship may be awarded to an alternate winner if the scholarship notification is undeliverable, or if the winner does not respond to the scholarship notification within 14 days following notification. If the winner does not claim the scholarship, PAVE, at its sole discretion, may select an alternate winner.

Students and parents will be asked to sign a waiver giving contest organizers permission to publicly announce the names of contest winners.
